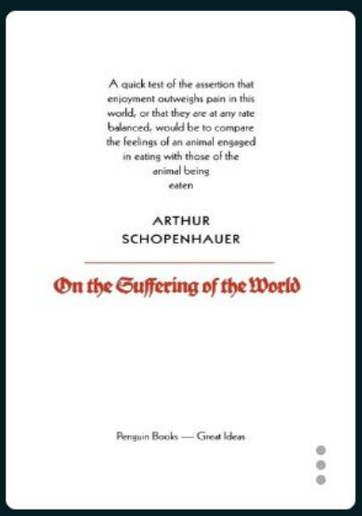
ON THE PROBLEM OF EMPATHY
Translated by
Waltraut Stein, PhD



A quick test of the assertion that enjoyment outweighs pain in this world, or that they are at any rate balanced, would be to compare the feelings of an animal engaged in eating with those of the animal being eaten

the Constitution
A part of the bestselling P.I.G. series
Think you know your Constitution? Did you know:
Separation of church and state is not in the Constitution (some ratifying states had official religions)
Modern "constitutional law" has almost nothing to do with the Constitution
Thomas Jefferson went to war against "activist" judges
The Supreme Court ruled in favor of slavery—and got other "landmark" decisions (like Roe v. Wade) self-evidently wrong

QUIENES SON LOS TESTIGOS DE JEHOVA
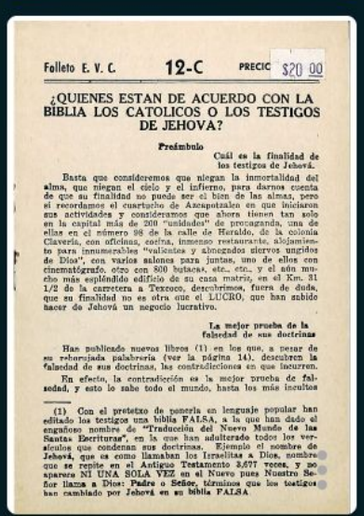
Entre los más celosos propagandistas de errores, entre los más encarnados enemigos de la Iglesia Católica, y no solamente de ella, sino de todo gobierno y de toda autoridad, se encuentra una plaga que, venida de Estados Unidos, apareció hace ya más de 50 años en nuestra Patria; ella en un principio se llamaba: "Milenarios, Rusellitas, Estudiantes de la Biblia"; después cambió su nombre por el de "Testigos de Jehová".
Son una verdadera peste; pululan por todas partes, perfectamente bien aleccionados con discursos que tienen muy bien ensayados y aprendidos de memoria, van por las calles de puerta en puerta, procurando, impertinentemente, colocar su muy bien presentada propaganda, ya en forma de libros muy bien impresos y empastados, titulados: "Sea Dios Veraz", "Esto significa vida eterna", "¿Qué ha hecho la Religión para la humanidad?", "Equipado para toda buena obra", etc, y Folletos titulados "Hase para creer en un nuevo mundo", "Conquista del mundo pronto por el reino de Dios", "Después del armagedón", "El nuevo mundo de Dios", etc, etc.
Ellos tienen también una virulenta publicación quincenal que antes se llamaba: "La Torre del Vigía", que después cambió su nombre por "La Atalaya", que es el órgano oficial de dicha asociación a la que sus propagandistas neamemente procurun se suberciban las personas que les dan oídos.
Torpeza del nombre que han adoptado los testigos de Jehová.
No saben los testigos de Jehová darnos una explicación categórica, mucho menos aún satisfactoria, de la razón que tuvieron para haber adoptado el nombre que llevan.
Nos dicen que lo tomaron del Libro de Isaías, Cap. 43, versículo 12; pero en este versículo del Antiguo Testamento, no encontramos nada que justifique la razón de haberlo tomado, pues todo lo que hemos en él es: "Yo anuncié y salvé a bien oír y no hubo entre vosotros extraños. Vosotros pues sois mis testigos, dice Jehová, que yo soy Dios".
Y esto es todo. Y no hemos en la Biblia como era de esperarse, lo que se requiere para tomar tal nombre, ni el objeto que tiene tomarlo, ni lo que tienen que atestiguar, ni qué recompensa recibirán por ello.



Folleto E. V. C. 12-C PRECIO $20.00
¿QUIENES ESTAN DE ACUERDO CON LA BIBLIA LOS CATOLICOS O LOS TESTIGOS DE JEHOVA?
Preámbulo
Cuál es la finalidad de los testigos de Jehová.
Basta que consideremos que niegan la inmortalidad del alma, que niegan el cielo y el infierno, para darnos cuenta de que su finalidad no puede ser el bien de las almas, pero si recordamos el cuartucho de Azcapotzalco en que iniciaron sus actividades y consideramos que ahora tienen tan solo en la capital más de 200 "unidades" de propaganda, una de ellas en el número 98 de la calle de Heraldo, de la colonia Clavería, con oficinas, cocina, inmenso restaurante, alojamiento para innumerables "valientes y almegados siervos ungidos de Dios", con varios salones para juntas, uno de ellos con cinematógrafo, otro con 800 butacas, etc., etc., y el aún mucho más espléndido edificio de su casa matriz, en el Km. 31 1/2 de la carretera a Texcoco, descubrimos, fuera de duda, que su finalidad no es otra que el LUCRO, que han subido hacer de Jehová un negocio lucrativo.
La mejor prueba de la falsedad de sus doctrinas
Han publicado nuevos libros (1) en los que, a pesar de su rebuscada palabrería (ver la página 14), descubren la falsedad de sus doctrinas, las contradicciones en que incurren.
En efecto, la contradicción es la mejor prueba de falsedad, y esto lo sabe todo el mundo, hasta los más incultos
(1) Con el pretexto de ponerla en lenguaje popular han editado los testigos una biblia FALSA, a la que han dado el engañoso nombre de "Traducción del Nuevo Mundo de las Santas Escrituras", en la que han adulterado todos los versículos que condenan sus doctrinas. Ejemplo el nombre de Jehová, que es como llamaban los Israelitas a Dios, nombre que se repite en el Antiguo Testamento 3,697 veces, y no aparece NI UNA SOLA VEZ en el Nuevo pues Nuestro Señor llama a Dios: Padre o Señor, términos que los testigos han cambiado por Jehová en su biblia FALSA

editions of the Talmud. They are, however, found in the Soncino English translation of 1935. (Some of these pages have been reproduced in *The Plot Against Christianity*.) Where they have been expunged, one can find an "o" indicating "oral tradition," which means they are still taught. Like it or not, Orthodox Judaism fervently teaches ultimate supremacy over "the nations," i.e., Gentiles, whom it pronounces as inferior creatures. Many Jews over the centuries, especially those who are "non-practicing," have exposed and apologized for these malicious comments and supremacist attitude. (See concentration camp survivor and Israeli citizen Prof. Israel Shahak's, *Jewish History, Jewish Religion*.) They are not to be held responsible; in many cases, they were brainwashed from birth and are appalled at the mentality. The mentality is, however, held by individuals in the ruling elite, religious and political. Almost none of our "Jewish" friends agree with this attitude, although some joke about it. Note that there are many more quotes of this nature within the Talmud, so numerous in fact that it is difficult to imagine more calumny being heaped upon "the nations."

It is true that some of these quotes have been taken out of context. We are attempting here to find them and put them within their context. Also, a number of these contentious remarks are followed by mitigating commentary from another rabbi (such as the quote about heathens studying the Torah at Sanhedrin 59a). Some of these quotes are translated quite differently from version to version, apparently at times softened. According to Prof. Israel Shahak, the original Hebrew passages possess greater vitriol than do the translations. Because of the translation discrepancies, it is difficult to verify these quotes. The verses in dark blue are confirmed by us to be in the Soncino Talmud. We have removed some particularly incendiary remarks because they cannot easily be verified.

Further, it should be noted that some of these texts, such as the Zohar, Aruch, Yalkut, Tosefta and Soferim, may not be contained within the Talmud proper but are referenced therein, as "commentaries" and "tractates" also considered "sacred texts." While the Soncino Talmud quotes are represented verbatim where possible, at least some of the statements purportedly from these other texts represent paraphrases. The text is frequently deliberately difficult to follow, in Hebrew as well, such that it needs to be simplified. (Such as concerns the use of terms for non-Jews/Gentiles: "Cutheans," "Samaritans," "Egyptians," "Canaanites," "Karaites" and "Minim," which refers to the "Judeo-Christian

Russian Verb Conjugation
A Complete Guide for Learners
Спряжение русских глаголов
Aspect · Tense · Person · Number · Gender
Russian verbs are fascinating but require mastering a few core concepts. Unlike English, Russian encodes aspect into every verb — a fundamental category that tells you whether an action is completed or ongoing/repeated. This guide walks you through aspect, all three tenses, and the full conjugation patterns with examples.

1. Verbal Aspect — The Most Important Concept
Every Russian verb belongs to one of two aspects. Most verbs come in pairs — one imperfective, one perfective — that share the same basic meaning.
